Camp Director, Jack Warner

Before becoming head coach of Purdue's track and field and cross country, Jack Warner spent the last 12 years at Ohio State University as a track and field coach. Warner's main area of responsibility was with male and female jumpers, but he also assisted with the cross country/distance runners and throwers.

"Jack Warner has had the ideal on-the-job training to be the Purdue head coach, almost since he was a youngster," said athletics director Morgan Burke, alluding to Warner's days as a boy, when his father was the Cornell University track and field coach.

Monica Gary – Sprints and Hurdles

Ross Richardson – Throws

All campers are covered by a blanket insurance policy covering injuries sustained at camp, up to a maximum of \$5,000, and in most cases, \$1,000 maximum coverage for illness. Coverage does not extend to preexisting conditions. This coverage does not replace personal health insurance. A licensed physician must sign the registration form **(a school medical form signed no more than 12 months prior to camp is also acceptable)**. **No medical forms will be returned.** All registrations must include this in order to hold your space.
